

When I read

Does what I am reading....?

Look right ?

Sound right ?

Make sense ?

Am I reading fluently and with expression like real talking ?

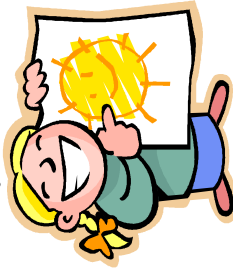

When I read

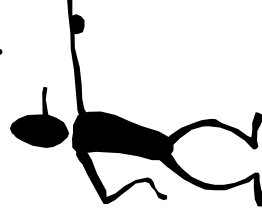

Am I making a movie in my head ?

Get my mouth ready

Look at the pictures

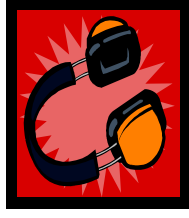

Point to the words

When I read

Does what I am reading....?

Look right ?

Sound right ?

Make sense ?

Am I reading fluently and with expression like real talking ?
